Suggested adaptations

0-6mths

Gently move baby's arms to perform actions along with the song.

6 mths

- 1 yr

Enjoy performing the actions of the song for baby, or sit them on your knee while holding their hands and guide their arms to perform the actions themselves.

Suggested actions and movement

Start by making a tree action with arms reaching up and out to the sides.

Make the wind blow by reaching arms up and down in front of the body.

Bring hands up high and move them down towards the ground in front of the body to show falling leaves action.

Repeat all 3 movements from verses 1-3 quickly along with the music.

Repeat the same actions as the song repeats in Spanish.

Strike your best otoño pose to finish!
