Tractor ride ~ Paseo en tractor

1 Riding along in a big green tractor
 Montando un gran tractor verde
 Riding, riding, montando, montando
 En la granja, on the farm

2 Going up and down in a big blue tractor
 Subiendo y bajando en un tractor azul,
 Up and down, sube y baja,
 En la granja, on the farm

3 Ploughing the fields in a big red tractor
 Arando los campos en un gran tractor rojo
 Ploughing, ploughing, arando, arando
 En la granja, on the farm

4 Pulling the trailer in big yellow tractor
 Tirando el remolque en un tractor amarillo
 Pulling the trailer, tirando el remolque,
 En la granja, on the farm

5 Tooting the horn in a big purple tractor
 Tocando la bocina en un tractor morado,
 Tooting the horn, tocando la bocina,
 En la granja, on the farm

6 Back to the barn in a big white tractor,
 De vuelta al granero en un tractor blanco,
 Back to the barn, de vuelta al granero,
 For a rest, para un descanso

Actions

Suggested actions and movement for each verse

1 Start by making a big wheel movement with both arms by sides

2 Move up and down with whole body, you can even jump if you like!

3 Roll arms in front of you to make a ploughing action and move around the room too

4 Use both arms to make a pulling action

5 Pull one arm down to make a tooting horn, then alternate. Make sure to do some big toots too!

6 Make slow tractor wheel movements with both arms and move to a spot to finish the song. You could designate a place in the room to be the barn ~ el granero before starting the song too if you like.

Suggested adaptations

0-6mths

Lay baby down in a comfy spot and enjoy performing the actions to the song. You could gently move their arms to make the movements for going up and down, ploughing fields, pulling trailer and tooting the horn. In the last verse, pick baby up and cradle them in your arms to have a nice cosy rest.

6mths +

This is a great song for sitting babies. With them on your knee, gently hold their hands and perform the actions with them making big wheels, bumping up and down, guiding them to roll their arms, gently pulling back and forth and tooting the horn. Enjoy a cuddle in the final verse.

Why not try...

Tractor painting

Pintando con tractores

Equipment: Toy tractor (with robust wheels!), brown paint, White or pale coloured paper

Dip the toy tractor's wheels in the paint and enjoy making tractor tracks all over the page. You could use this artwork as a background for the 2D Tractor Picture activity, create a large collage for a farmyard display or cover a letter 'Tt' template.

Since this is one of the Spanish words the starts with the same letter as the English one, you could start creating a bilingual alphabet as we learn more words in both languages!
