Actions

This session's song

Kiko the Dog ~ Kiko el perro

1 I have a dog
Tengo un perro
His name is Kiko
Se llama Kiko
When Kiko is happy
Cuando está feliz,
He wags his tail like this
Mueve la cola como así....

2 I have a dog
Tengo un perro
His name is Kiko
Se llama Kiko
When Kiko is curious
Cuando está curioso,
He moves his head to one side
Mueve la cabeza a un lado,

3 I have a dog
Tengo un perro
His name is Kiko
Se llama Kiko
When Kiko wants to play
Cuando quiere jugar,
He barks just like this,
Como así ladra

4 I have a dog.
Tengo un perro
His name is Kiko
Se llama Kiko
When Kiko is scared
Cuando tiene miedo,
His ears prick up like this,
Levanta las orejas como eso

5 I have a dog.
Tengo un perro
His name is Kiko
Se llama Kiko
When Kiko feels warm
Cuando tiene calor
He sticks out his tongue like this,
Saca la lengua como esto

6 I have a dog,
Tengo un perro,
His name is kiko
Se llama Kiko.
He is my best friend
Es mi mejor amigo
I give him lots of kisses
Le doy muchos besitos

Suggested actions and movement

Start every verse by pointing to yourself with both thumbs then use the corresponding sign for dog ~ perro:

BSL (British Sign Language): Point index and middle fingers downwards making small up and down movements.

LSE (Lengua de Signos Española): With one hand, open and close it while pulling away from the face in front of the nose to make a snout shape.

Then make the relevant actions for verses as follows:

- 1** Make a happy face, then put one arm bent out behind you moving forwards and backwards to show a wagging tail.
- 2** Make a curious face with thumb and forefinger on chin, then move head to one side.
- 3** Make a play action as a running motion with both arms at sides, then bark just like Kiko!
- 4** Make a scared face and action with hands, then use index fingers pointed up on either side of the head.
- 5** Waft face with hands to show a hot action, then stick tongue out.
- 6** Give yourself a hug then blow lots of kisses for Kiko!

Why not try...

Dog Collars

~

Collares para perros

This activity can be as creative as you like!

If you have a stuffed dog toy, then this would work really well, but if not, any stuffed animal would work too.

Using a strip of card cut to fit the stuffed toy's neck, let children decorate it however they like, then secure the collar with some sellotape.

They could add a tag and have a go at writing the first letter of their dog's name written over an outline.

If you'd like offer an extra challenge, give older children beads to string onto a collar instead to help develop their fine motor skills.
